

EDITORIAL

The first and second numbers of *Journal of Dharma* were published together in 1975. Likewise now we are bringing out the 99th and 100th numbers together.

The theme of these two numbers is "Religion and Politics in Asia Today". Most of the articles of this issue are papers presented at the International Seminar on the same theme, which we organized here on the occasion of the Silver Jubilee celebrations of *Journal of Dharma* on 30 June to 03 July 2000. Some of the papers of the Seminar were published in the last issue.

This time we are also sending to you a Supplement to *Journal Dharma*. The Supplement has four parts: (i) technical details about the Journal; (ii) back issues with theme titles; (iii) author index; and (iv) subject index. We hope this would be useful for you as a reference document on the contents of the *Journal of Dharma* of the past twenty-five years.

We wanted to bring out yet another Supplement, namely, *The Dharma Family of Bangalore*. We hope to publish it in the course of next year.

Finally we would like to wish all the associates, readers, benefactors and well-wishers of *Journal of Dharma* very cordially a very good, healthy, successful, peaceful, prosperous and grace-filled New Year!
